

Community Advisory Group Application Form

Are you interested in participating in the discussions held by the GTA West Community Advisory Group (CAG)? Meetings will be held throughout the study to seek input on project developments and feedback on study activities. The Project Team is seeking to rebuild the CAG and capture a diverse representation of views. If you are a resident, member of an interest group, or own property or a business within the GTA West Route Planning Study Area, and are interested in participating in the discussions of the CAG, please complete this form and submit it to the Project Team.

Please note that in order to maintain a reasonable group size and to encourage a diverse representation of views, it may not be possible to invite all applicants to become members of the CAG. We will notify you as to whether your application for membership has been accepted.
